

AOC Vacqueyras 2007 - Cor Hominis Laetificat – *Gladden the Man's Heart*
AOC Vacqueyras

Like the sun out of a bottle, awakening all senses in a whirlwind of emotions ... a wine for special occasions.

Now equal to the greatest, Vacqueyras is producing magnificent wines in the shadow of the Montmirail hills. The soil here is all strength and serenity and this wine oozes robust equanimity.

Grape varieties

Grenache of course, for a true experience of the Rhône terroir.

A robust Syrah and some Mourvèdre for its warmth and generosity. All grapes come from selected low-yield non-stressed vineyards.

Ageing

After malolactic fermentation, the various varieties are blended.

Ageing takes place in a XII century stone cellar at 30km of the town of Roquefort (Aveyron).

New oak is avoided in order to preserve the delicacy of the Grenache variety.

Vinification process

We accomplish long macerations to bring the best out of the grapes, always striving towards harmony.
